

FIRST CLASS FUNDRAISING

Hi everyone,

First Class Fundraising wanted to let you know about our **NEW** fundraiser.

The large heat pack which is in the above photo.

They cost you \$7.50 (including gst). We suggest selling them for \$15.00, which means you make 100% profit!!

They are made to order so there is a minimum order of 25, this means, you can pick your own colour to match your colour scheme.

Of course we are still doing our amazing greeting card fundraiser.

Both will make great money for your cause.

Contact us for your next stress free fundraiser!
Jennifer & Bianca.
